Improved Piping Products is taking the Coronavirus COVID-19 situation seriously.

The health and safety of our employees, customers and suppliers is the highest priority.

The following is to inform you of our actions and activities.

We have reached out to suppliers to identify potential issues that may have a direct impact on our ability to maintain the integral part of our daily business. At this time we have not had any feedback that would indicate a disruption in the supply of products or services.

We will continue to monitor the situation and provide updates to our customers in the event of disruption to regular business operations.

Please feel free to contact us if there are any concerns or questions.
